General Information

The MSIS meeting will start promptly at 2:00 p.m. in the Atrium of Jefferson Alumni Hall. A map is available at <https://hospitals.jefferson.edu/campus-map/index.html>. Select “Alumni Hall” to right. Use the 11th Street exit as there will be construction blocking the Locust Street entrance. The Atrium is located directly behind the Security Desk facing Locust Street. Proceed to the right of the Security Desk and look for the MSIS check-in/registration desk.

Participant badges and programs may be picked up on Friday, July 27, **1:00 to 5:00 p.m.**, and on Saturday, July 28, **6:15 a.m. to 5:30 p.m.**, at the check-in/registration desk. The meeting rooms, exhibit areas, and food and beverage areas are for registered participants only.

No matter what the temperature is outside, the meeting areas may be cool. It is suggested you bring a sweater/jacket for inside the meeting areas. Efforts will be made but the MSIS may not be able to adjust the temperature in the rooms.

Wifi may be unreliable in the meeting areas.

Security

None of the designated MSIS meeting areas will be secured. The MSIS and Jefferson University are not responsible for lost or stolen items. It is suggested you take valuable items with you when you leave the meeting areas.

To ensure presentations are ready at the designated time, all PowerPoint presentations must be on a **USB drive**, clearly marked with your name and cell number, and given to Rodney Baker, Audio Visual Specialist, as follows. *The earlier Rodney receives the USB drive, the better. He will text you if there is a problem.*
