

Welcome to the Joint MSIS-EBJIS 2026 Conference!

It is our great pleasure to announce the Joint MSIS-EBJIS 2026 Conference, taking place in Porto, Portugal, on 17–19 September 2026.

This year's Annual Meeting will be held in collaboration with the European Bone & Joint Infection Society (EBJIS). We believe this partnership will foster valuable exchange of knowledge and strengthen collaboration across the ocean.

We look forward to welcoming you in Porto in 2026!

The 2026 Key Session Topics

- Europe vs North America I: DAIR – A clash of protocols
- Europe vs North America Showdown II: Staged Revision – How Much Is Enough? One, 1.5 or More?
- Europe vs North America Showdown III: Antibiotic Strategies – Same Bugs, Different Logic?
- Europe vs North America Showdown IV: Plastic Surgery's Role – Does It Influence Staging Strategy in Fracture-Related Infection?
- Europe vs North America Showdown V: Prevention & Preop Assessment – Diverging Approaches?
- BJI Outcome Metrics: Measuring What Matters
- MDR Gram-Negatives: The New Frontier of Resistance
- From Definition to Classification: Evolving the PJI Framework
- Spinal Infection in Focus: Bridging Definitions and Strategies
- Not just another Joint: What Makes Shoulder Infections Different?
